

Bible Reading Plan - February

Reading the Bible on a daily basis is such an important discipline. Consistent and systematic reading of Scripture will help a person discover the revelation of God and learn to discern the voice of God. At Genesis, we want to begin reading the Bible together. We have three plans here, a one chapter, two chapter, or three chapter a day plan. The one chapter plan will focus on New Testament chapters, the two chapter will add Old Testament stories and prophets, and the three chapter will include Scriptures from Old Testament Psalms and wisdom literature. We will publish a new sheet each month this year.
