

## Bible Reading Plan - March

Reading the Bible on a daily basis is such an important discipline. Consistent and systematic reading of Scripture will help a person discover the revelation of God and learn to discern the voice of God. At Genesis, we want to encourage people to read the Bible together. We have three plans here, a one chapter, two chapter, or three chapter a day plan. The one chapter plan will focus on readings from the New Testament. The two chapter will add the Old Testament books of the Law, history, and prophets. The three chapter plan will include Scriptures from Old Testament Psalms and wisdom literature. We will publish a new sheet each month in 2009.
