## Trip Purpose

Our goal for this trip is to provide a great three day experience for men. The trout fishing will be amazing, and lots of fun. But we will also use the weekend to challenge those attending to be men of God who lead well in their own lives, in their families, in the church, and in the world around them. To do this, we have invite John Ryan from Summit Church in O'Fallon to join us for the weekend. He will challenge our men with several messages speaking to the heart of what it means to honor God as a man.

Feel free to invite friends, bring dads, or bring your sons. We hope the weekend will have a great balance between fishing, free time, and challenges from our guest speaker.
