June 8, 2014

We are starting a summer series on the Old Testament book of Proverbs this morning. The key idea is living wisely in a broken world, as Proverbs is filled with short, pithy statements that deal with all sorts of life issues. Proverbs has a simple call to see our lives through God's lives and live accordingly. For the most part, Proverbs is written from the perspective of a father who is having talks with his teenage son, encouraging him to make wise choices with his work, sex, alcohol use, money, and lots of other real life issues. We hope this series will be incredibly practical and helpful.

We are so glad you chose to be at Genesis to celebrate Jesus with us this morning.

If you are a first time guest, we are especially thankful to have you with us. Pastor Mike would enjoy meeting you after the service at the Info. Table.

We pray that God will speak to you this morning.

For questions or more information, visit the Information Table or e-mail the address above.

Be sure to pick up a copy of the Sermon Notes & Family Worship sheet on your way out!

One of the elders will be available for anyone who would like to pray with him. Find Bob, John, Leon or Weston at the end of the service by the stage.

Genesis Kids Clubs - Looking for Workers on Every Level

Now is the time to enlist leaders & workers for our Genesis Kids Clubs in July. To make these amazing, we will need a team effort with lots of people from Genesis getting plugged in. These clubs are a significant part of our effort to do mission & share the Gospel in Eureka. Maybe you love kids, or possibly God has given you a passion to share Jesus in your own neighborhood. The first step is to check with your Community Group to find out where and when the club they will support is meeting and get involved there. Or you may want to host or lead a club yourself. Speak to Gabby Adams to get more information or to get involved with Kids Clubs.

Baptisms in the River—July 20

Baptism is the highest celebration we have as a church. In baptism, people are giving their public declaration that they have trusted in Jesus. Join us Sun., July 20 for baptisms in the Meramec River at the Pacific Palisades Boat Ramp at Noon. Anyone interested in being baptized should speak to one of our Elders.

Koinonia

We have a social networking site called Koinonia (the Greek word for fellowship & community). *Koinonia.genesiseureka.com* is designed for those who are a part of Genesis to provide ways for us to share information & interact with each other. Koinonia has a place for sharing prayer requests, connecting to your Community Group and learning more about upcoming events. If you would like to join Koinonia, visit the website, register & follow the directions. It will send an e-mail to confirm.
