**May 11, 2025**

We are so thankful for our mothers, both physical and spiritual!

We long for a happy life—one which fills and satisfies. Yet, a fulfilling life is actually difficult to find. The author of Hebrews shares some simple but profound pathways toward contentment and joy for those who have discovered the superiority of Jesus and believe in Him.

All of these will run counter to the culture, yet they are the way to the joy of knowing and experiencing Jesus. So, we are to love one another, care for strangers and those in prison, build strong marriages and protect our sexuality, and keep our lives free from the love of money.

Furthermore, Hebrews wants us to see the character described here as marks of authenticity for our faith and the very keys to forming the beautiful community that displays Jesus to the world. When we do this, we will find the promises of Psalm 118:6-7 to be true—that the Lord is on our side and He is our helper.

Welcome! We are so glad you chose Genesis to celebrate Jesus this morning! We are a church who wants to help people find a new beginning in Christ and become more like Him.

If this is your first time with us, please complete the visitor information section and place it in the offering basket or scan the QR code so we can follow up by email. Our Teaching Elder, Mike Hubbard, would enjoy meeting you after the service.

If you have a question or would like to pray with someone after the service, volunteers will be available.
